## Measurement of Discipline

N.B. This page is attached for the protection of overall discipline of a student. 100 marks is given to every student as an ideal learner. In teacher's evaluation, teachers will deduct 5 marks if there is any prime objection against him/her about discipline or study. The overall behavioral activities of a student will be evaluated through this measurement of discipline. If the number of a student comes below 40 marks after deduction from full marks or tears this page from diary, he/she will be given TC from institution. Principal
