

BMSC is delighted to introduce the BMSC English Language Club or BMSC ELC, a platform dedicated to enhancing language skills and fostering a vibrant learning community. 'Unconventional path to Extra-ordinary learning' holding this noble motto, our club provides a unique opportunity for students to excel in English language proficiency and unlock their potential.

Under the guidance of our esteemed moderator, Shambu Nath Adhikari Sir, the BMSC English Language Club aims to empower students by offering engaging and innovative language learning experiences. Through a range of activities, we strive to cultivate a supportive environment where students can develop their language skills with confidence.

We organized the first ever club-based competition event in BMSC, the 1<sup>st</sup> Intra-School English Carnival (ISEC), which showcased the talents of our students and encouraged healthy competition. It was a remarkable event that celebrated the diversity of language skills within our school community.

In addition, we also conducted a successful workshop focusing on the four key communicative skills of the English language: listening, speaking, reading, and writing.

Looking ahead, the BMSC English Language Club has an exciting line-up of activities planned, including workshop, language-themed quizzes etc. These initiatives aim to further enrich students' language proficiency and foster a spirit of camaraderie among participants.

So, step forward, brave pioneers, and join us on this unparalleled adventure. The future awaits, and within the BMSC English Language Club, the boundaries of language proficiency will be shattered, giving rise to a generation of extraordinary communicators and trailblazers.
